Reading is always a priority and such a vital part of our learning. Come along to this informal but informative event in the school hall where you can see our phonics resources in action and gain a valuable insight into how you can support your child at home with phonics and reading.

GOVERNOR VACANCY

Our Local Governing Board (LGB), currently has 2 vacancies. If you are interested in this role or would like to find out more, please let Miss Healey know in the school office — Thank you!

It is so wonderful to be working more closely with our parents and families in school again, whether it is attending our celebration assemblies or supporting on school trips, with cooking or hearing reading. Our dedicated PTA Team (FOTS) would love to increase their numbers and provide even more fund raising activities for our children. Please see Miss Healey if you would like to join or help in any way!

This year for Harvest we will be supporting the Wadebridge Foodbank. From Monday 10th October children can bring into school any items listed below:

The foodbank currently needs: Tinned potatoes, tinned meat, tinned tuna, biscuits, Jam, Rice Pudding, Custard

We have plenty of: Beans, Pasta, Cereal, Tea & Coffee

“The foodbank relies on goodwill and support. Emergency food or essentials are the first step in helping many people access other services and support which can help get their lives back on track, so the impact of your donation is very much appreciated. Over 90% of the food distributed by foodbanks in The Trussell Trust network is donated by the public – that’s why your food donations are absolutely vital”.

TREES

Over half term we are having further tree works completed in the school grounds. The trees being removed are extremely big and becoming dangerous, not only for the school, but for our neighbours. This decision has not been taken lightly and has been made in conjunction with Cornwall Council and Kernow Learning. Although it is always a shame to fell trees, we have a tree planting scheme planned for the future.

In the year of the Queen's Silver Jubilee, 1977, the School was given a Sessile Oak to plant in the school grounds. This year this Oak tree has amazingly started producing Acorns and we have now collected over 200 acorns, so every child will be able to plant one as a special commemorative gesture!
